

2023 National Dorset Ewe Lamb Futurity Rules & Regulations

CONSIGNOR RULES:

1. Entries are for all ewe lambs born after September 1, 2022. Ewe lambs will compete in their specific age divisions.
2. Nomination fee is \$25.00 per head payable to the Continental Dorset Club. If a breeder would like to be able to nominate all of their ewe lamb consignments during the 2023 sale season then the flat fee would be \$250. Ewe Lambs must be nominated and designated prior to entering the show ring of their class at the futurity sale. Payment of nomination fee is to be made prior to the sale of the ewe lambs. Breeders wanting to take advantage of the group rate must make the CDC aware of their intention by their first sale.
3. Each ewe lamb must bear the proper identification which corresponds to the registration certificate. This includes flock identification and federal premise & individual identification numbers. Both must appear on the registration paper for a ewe to be eligible for the program. Both tags also need to be in the ewe when she is being shown to earn points. If re-tags occur due to loss of federal tags then the CDC office must be notified immediately before the ewe is shown again. After transfer to the futurity participate, the registration certificate will be identified that this is a futurity ewe lamb.
4. Each ewe lamb must conform and abide by the rules and regulations of each individual sale to which it is consigned. All normal entry fees and commission apply.
5. The CDC will not be held responsible for any dispute and/or disagreements between buyers and sellers.
6. Any open consignment or production sale are eligible to offer futurity lambs. Sale managements must notify the CDC office with records of sales on any futurity ewe lambs for them to be eligible for the program.
- 7) ***Online sales are eligible for the Dorset Ewe Lamb Futurity Program. An online futurity nomination form has been designed that consignors must supply to the CDC office pre-sale that includes a list of nominated ewe lambs. The CDC will bill the consignor direct for nomination fees. No transfers will be completed until the list and payment has been received.***

EXHIBITORS RULES:

1. ALL juniors who meet the requirements for the Junior Show at the North American International Livestock Exposition are eligible. Rules for the NAILE are:

 - Junior members must be present to show their own sheep unless physically impaired.
 - Animals ownership registered with the CDC office by September 1, 2023.
 - Ownerships must be in the youth's name. Youth partnerships, farm names or family ownerships are not acceptable.

4. Ewe lambs and points earned in the futurity are not transferable to any other person other than the original owner, nor are points transferable from one lamb to another.
5. No futurity entrant may earn premiums on no more than two ewe lambs. Total points earned by two ewe lambs can not be combined.
6. If registration papers are not received by the first show, it is the exhibitors responsibility to show the lamb in the proper age category and have sales receipt to prove ownership to the show management.
7. If the exhibitor has more than one ewe lamb in the same class, another junior member may exhibit the ewe lamb as long as the exhibitor is showing the other ewe lamb.
8. **Premiums:** A minimum of \$2760 will be awarded to be divided up among the six regions and the NAILE Junior Show. The guaranteed money total will be given as follows:

POINT SCORING

1. **A point record form has to be filled out for each showing and forwarded to the CDC Office with in 21 days of the show.** The form must be signed by the superintendent of the appropriate show so, it is best to get them filled out while you are still at the show. Scans and emails of forms are accepted. These forms along with the rules and regulations will be sent to futurity participants upon purchase of the futurity ewe lamb.
2. At each individual show the ewe lamb may earn futurity points from both the open division and/or junior division except at the NAILE where only the Junior Show placing will determine points earned. **Please note that when you record placings ONLY the other Dorset ewes in the class count in your total number of animals shown when you are showing with other breeds when there is not a separate division for Dorsets. Champion Drives and Supreme Champion classes are not eligible for futurity point recording.**
3. Ewe lambs can compete at an unlimited number of shows with only the top 5 point awards going towards your Region total. **ONE NATIONAL REGIONAL JUNIOR SHOW WILL COUNT DOUBLE POINTS. IF YOU SHOW AT MORE THAN ONE NATIONAL REGIONAL, THE HIGHEST POINT TOTAL WILL BE DOUBLED. IT IS NO LONGER REQUIRED THAT YOU MUST SHOW AT A NATIONAL REGIONAL.** Regional premiums will be awarded on these totals. If you continue to participate at the NAILE Junior Show, the Region point total plus the points earned in the NAILE Junior Show will determine the final placing for the NAILE Premiums and an award will be presented to this overall placing. The higher regional junior show placing will break a tie in the final national placings.
4. The period for eligible shows will be from January 1, 2023 until the NAILE in November of the current year.
5. Even though both fall and spring ewe lambs are eligible for the futurity only one set of premiums will be paid in each district and one set of premiums at the NAILE. The lambs will be shown in their proper age division at the shows and then the point totals will be combined together for the futurity placing.
6. Regional futurity awards will be announced on the CDC website prior to Louisville. The NAILE Futurity Awards will be figured and announced in Louisville after the Dorset Junior Show. All awards will be presented in Louisville.
