HORNED DORSETS

GREENLEAF VALLEY TIM & KASEY GADSBY

150 Burdette Rd., Stoneboro, PA 16153
330-771-7067 greenleafvalleydorsets@gmail.com

1 – Late Fall Ram Lamb Gadsby 22116

Born: 10-20-22
Sire: PRC 5692
Dam: Gadsby 1833

PRC 5692 was the Champion Ram from this sale in 2021, and went on to be National Champion Ram at the 2021 NAILE. He will be the sire of all our entered ewe lambs this year at the Dorset Sale. This ram is a spitting image of his sire, extremely cool profiled, tremendous bone work. What really sets this ram apart from the others in the barn is his flexibility and movement.

2 – Slick Yearling Ewe Gadsby 2149

Born: 9-3-21
Sire: Gadsby 1825
Dam: Gadsby 1768

Gadsby 1825 is owned in partnership with the Cassell Family. He has made some very interesting slick shorn sheep for both of our programs. This ewe is very smooth made and will make a larger slick yearling ewe, she is kind of a tweener. For a fall yearling ewe, she has a ton of gas left in her tank. She won't be bringing much white muscle to Greenville.

3 – Early Fall Ewe Lamb Gadsby 22101

Born: 9-20-22
Sire: PRC 5692
Dam: Gadsby 2088

Both of our September ewe lamb entries were born at the end of the month. Gadsby 2088 is sired by Forster 1200, the main stud ram that came with the purchase of the Forster ewes.

4 – Early Fall Ewe Lamb Gadsby 22103

Born: 9-22-22
Sire: PRC 5692
Dam: Forster 1717

This fall is a maternal sister to the 2021 Junior Champion at this sale. Both early fall ewes coming are big bodied and come from extremely strong maternal lines.

5 – Late Fall Ewe Lamb Gadsby 22105

Born: 10-3-22
Sire: PRC 5692
Dam: Gadsby 1948

This late fall ewe lamb is going to be extremely hard to part with. She comes from the same female line as Madelyn Syme's fall ewe lamb that she successfully showed in 2021, including Reserve at All-American. This female is super stout, opened up and still feminine in her front third.

6 – Ewe Entry

We did not breed for early September lambs this year so much of the selection for this entry will come from the October group. Watch Greenleaf Valley FB page for pictures and updates.

859 never misses. She has show lambs every year. We showed the twin of 2-23 as a February ewe lamb and she was first in her class at the South Dakota State Fair.

Myerscough Sheep Farm 2210**

Born: 1-15-22 Triplet _R
Sire: NSF 2031 A.I.

Dam: Myerscough Sheep Farm 2014

This ram has "stud buck" written all over him. Stout made, easy keeping and long bodied while still offering a show ring look. With a "P.D." son for a sire and an "In the Weeds" half sister for a dam, his pedigree has proven itself within the breed. We think he can make an impact in your program!

**129 – Fall Yearling Ewe
Myerscough Sheep Farm 2124**

Born: 9-3-21 Tw. RR
Sire: Pope Dorsets 483

Dam: Myerscough Sheep Farm 2009

It was never in the plans to let this one go, but we decided we wanted to offer a nice yearling ewe in the National Sale. Rich in Indiana Dorset breeders, this ewe's pedigree features Pope, McDaniel and Thistledown genetics spread throughout. Her sister sold to Sean Beskid in the IL Dorset Sale last year and we think you will be a happy with this ewe in the lambing barn as he is with her sister!

**130 – Early Fall Ewe Lamb
Myerscough Sheep Farm 2245**

Born: 9-7-22 Tw. _R
Sire: Myerscough Sheep Farm 2012

Dam: Myerscough Sheep Farm 1823

This one will be hard to see leave the farm. A barn favorite since she was born. She offers a freaky look without sacrificing mass and power. Out of our home raised "In the Weeds" half brother and a "Rainmaker" granddaughter, this ewes pedigree talks-the-talk while she walks-the-walk. We showed her full sister last year with great success and expect her new owners can do the same this year!

**131 – Late Fall Ewe Lamb
Myerscough Sheep Farm 2246**

Born: 10-10-22
Sire: Myerscough Sheep Farm 2012

Dam: Trail Run Dorsets 2007

Our lone October ewe lamb may be the baby of the group, but we feel her best days are ahead! Sired by an "In the Weeds" half brother and dammed by a Trail Run ewe we showed a few summers ago, her pedigree is sure fun to read. If Michael was still a junior, this one would be making the trip to Madison with us this summer!

**132 – Slick Yearling Ram
Wilfong 22076**

Born: 2-25-22 Tw. RR
Sire: "Gonzo" Wilfong 2055

Dam: Crego 10620

This ram has been a barn favorite since he was a lamb. The 10620 ewe is a very stout made female from the heart of the Crego ewe flock we purchased in 2021. "Gonzo" stamps them out shallow chested, clean fronted, and stout from nose to tail. This dude will do someone a lot of good!

**133 – Slick Ram Lamb
Wilfong 22221**

Born: 11-11-22 Triplet RR
Sire: "Gonzo" Wilfong 2055

Dam: Magee 11078 NA

This lamb was one of the last "Gonzo" lambs born before we lost him. He is dammed by a Magee ewe we purchased in a large group last year. She is a direct daughter of "Solo" Shuck 17497 ET, the \$7500 ½ interest ram at the Elite in 2017 and a Huntrod ewe. This guy is square hipped and shallow chested with the punch of style to make some cool babies! He is young with there not being any class splits for falls on the slick side, he may get out-horsed but I'll stand behind him any day!

**Substitute entries will have a line
or bar below the Lot Number**

**134 – Slick Ram Lamb
Wilfong 22256**

Born: 12-10-22 Tw. RR
Sire: "Tap Out" Warntjes 1040
Dam: Crego 9096 ET

WOW what can we say! We have had a lot of people asking us to bring good ones and we dug deep here. This guy will be young but just take a glance at this pedigree. Sired by the now deceased and infamous "Tap Out" and dammed by an ET Sister to Crego "Revolution". If you're looking for a stud to take you to the next level...look no farther! Since there is no split class for slick fall or winter ram lambs, don't let him slip by you since he still has milk on his whiskers!

**135 – Slick Fall Ewe Lamb
Wilfong 22244**

Born: 11-20-22 Tw. RR
Sire: "Home Stretch" Wilfong 22069
Dam: Crego 7026

A really nice patterned ewe lamb out of one of the Crego foundation ewes who is a direct daughter of "Evolution" Anderson 3233 that built that entire program from the start. "Home Stretch" was our keeper "Gonzo" son from last spring. He has done a tremendous job taking over in his daddy's footsteps and stamping them out like cookie cutters! She is young and again at the end of the age for falls here.

**136 – Slick Fall Ewe Lamb
Wilfong 22249**

Born: 11-21-22 Tw.
Sire: "Home Stretch" Wilfong 22069
Dam: Magee 11085 NA

A cool fronted squared up gal here she is dammed by a Magee ewe we purchased in large group last year, who is sired by "Solo" Shuck 17497 ET the \$7500 ½ interest ram at the Elite in 2017 and dammed by the Slack 4212 ewe. She is sired by "Home Stretch" who will be making some waves this summer with lambs on the show circuits! Another in the late fall category but that's not keeping her from shining!

**137 – Slick Winter Ewe Lamb
Wilfong 22260**

Born: 12-12-22 Tw. RR
Sire: "Home Stretch" Wilfong 22069
Dam: Crego 0009

Another "Home Stretch" baby dammed by a "Revolution" daughter that traces back to "Hijack" and "Dangerous Game", she is a baby of the group but one that has a lot of future and promise. Don't let her age fool ya!

**138 – Late Fall Ewe Lamb
Wilfong 22203**

Born: 10-20-22 Tw.
Sire: "Wild Bill" Pine Knob 2026
Dam: Wilfong 2040

A very nice ewe lamb, later born than most but that doesn't keep her from shining. She is sired by "Wild Bill" the 2020 Jr. Reserve Champion Ram at NAILE who was dammed by the infamous "Annie Oakley" Saylor Twin Oaks 1176, the 2019 National Champion Ewe at NAILE. The girls dam is out of one of the last Lauden Acres ram we called "Big League" that we purchased with the Moore Flock in Missouri in 2019.

**139 – Late Fall Ewe Lamb
Wilfong 22209**

Born: 10-21-22 Tw.
Sire: "Wild Bill" Pine Knob 2026
Dam: Wilfong 2021

A very nice extended fronted ewe lamb, later born just as the one above but don't let that keep you from her. She is sired by "Wild Bill" the 2020 Jr. Reserve Champion Ram at NAILE who was dammed by the infamous "Annie Oakley" Saylor Twin Oaks 1176 the 2019 National Champion Ewe at NAILE. This girls dam is out of one of the last Lauden Acres rams we called "Big League" that we purchased with the Moore Flock in Missouri in 2019 and the bottom side is a Penn View ewe who was a "Sloe Gin" daughter. Don't get many any more with a lot of stacked Saylor Twin Oaks genetics, but here's one!

**140 – Winter Ewe Lamb
Wilfong 22230**

Born: 12-11-22 Tw.
Sire: "Wild Bill" Pine Knob 2026
Dam: Wilfong 2090

"Wild Bill" has done a tremendous job for us here on the frame side, so we think its time we part with a few to let his genetics carry on. This December ewe lamb is super green, however, she is super fronted and feminine with an added shot of style. She is one of those you show all summer and taker her home and make a brood ewe just as easy. Her mama is "Concho" daughter tracing back to "Primo".

**141 – Fall Yearling Ram
TSF 6521**

Born: 9-12-21 RR
Sire: NSF 1914

Dam: Poynter Sheep Farm TF-3

With Nichols genetics on the top side and Poynter on the bottom, this rams pedigree makes for an interesting combination. We liked it so much that we used this buck on a couple ewes and he rewarded us with several top end ewe lambs. Take a good look at this one. We don't think you'll be disappointed.

**142 – Early Fall Ram Lamb
TSF 6822**

Born: 9-2-22
Sire: Crouch 2015 "Captain Morgan"
Dam: TSF 3420

Three of the hottest sires from the last decade, "Doctors Orders", "In the Weeds" and "Hot Commodity" highlight the loaded pedigree that comes with this ram. This buck has a lot of gas left in the tank and we think his best days are ahead!

**143 – Fall Yearling Ewe
TSF 8621**

Born: 10-29-21 RR
Sire: Reynolds Stock Farm 1903
Dam: TSF 0712

When we got the opportunity to use the Reynolds buck, this is exactly the type of ewe we were hoping to get: big ribbed, long bodied, big boned and good hipped all without sacrificing eye appeal and flashiness. Not to mention, her pedigree is as impressive as she is. Don't miss out on this one.

**144 – Late Fall Ewe Lamb
TSF 7722**

Born: 10-4-22
Sire: NSF 1914

Dam: Scotch Lane Farm 0648 A.I.

If this one's build doesn't get you excited, her pedigree definitely will. Typically a ewe like this would never leave our farm but we decided it was time to put one of our very best out there, and that's what this October ewe lamb is. Look her up, we think you will like what you see.

160 – Early Fall Ram Lamb**Crouch 2303**

Born: 9-3-22 RR
 Sire: "In the Weeds" Loenser 3030
 Dam: Crome 2711

Crome 2711 has never missed. We have sold over \$7,000 in offspring out of her. This ram would be a full brother to "Adele" – the fall ewe lamb Morgan campaigned this past summer. She had quite the run winning her class at AAJS and NAILE to go along with Champion Ewe at the North Central Regional Show. This one is special and has the look to match his pedigree.

161 – Early Fall Ram Lamb**Crouch 2307**

Born: 9-6-22 RR
 Sire: "Reload" Crouch 1717
 Dam: Dover Genetics 1904

This one checks all the boxes for a stud ram. Big, massive, huge foot, sound and good looking. He'll be an outcross for most flocks out there. The Dover ewe is another can't miss kind of a ewe in our flock.

162 – Spring Yearling Ewe**Crouch 2219**

Born: 3-6-22 Triplet_R
 Sire: "Esquire" Thistledown 838
 Dam: Crome 2877

Every year it seems like we have a late born yearling that hits her stride about this time of year and surprises all of us. This yearling has show ring written all over her with all kinds of gas left in the tank. She has a presence about her that makes her stand out in our yearling pen. Crome 2877 or "Matilda" as she is known around our farm was the last ewe Megan showed at NAILE and was 3rd Late Fall if I remember right.

163 – Spring Yearling Ewe**Crouch 2215**

Born: 2-20-22 Tw. RR
 Sire: "In the Weeds" Loenser 3030
 Dam: Crome 2611

We lost "In The Weeds" recently, so we shouldn't be selling yearling ewes out of him. We can't keep them all. Crome 2611 is a sister to Hazel and has been one of our most productive Crome ewes.

164 – Early Fall Ewe Lamb**Crouch 2302**

Born: 9-1-22 RR
 Sire: "In the Weeds" Loenser 3030
 Dam: Pope Dorsets 608

Pope 608 is an American Legacy daughter we purchased from Michael's last consignment at Ohio. It will be fun to follow this one this summer.

165 – Early Fall Ewe Lamb**Crouch 2305**

Born: 9-5-22 RR
 Sire: "Back 40" Crouch 2112
 Dam: NSF 1847

Back 40 was Reserve Champion at the 2021 AAJS. He is our replacement for "In the Weeds" and his first lamb crop has been spectacular. Crouch 2305 is one that has been popular with those who visit the farm. She is an elite show prospect that my show crew is not happy parting with.

Born: 9-7-21 RR
 Sire:

"Esquire" has been a fruitful cross on our Dover ewes. He has added bone, wool and a cool profile. This ewe is a great combination, as she has Pope and PRF/Moore sires in her lineage to provide the rib shape and an upheaded look.

167 – Spring Yearling Ewe**DG 2225**

Born: 2-7-22 Tw. QR
 Sire: DG 1917
 Dam: DG 1638

My barn has more feet than I want to trim in it! I have kept several females out of this dam, so this pretty girl can find a new home. A linebred Pope female with Twin Oaks, Haven Point, and Riverwood genetics that balance out an impressive phenotype.

Born: 10-1-22 RR
 Sire: "Sam Whiskey" McDaniel 21-1
 Dam: Trail Run Dorsets 2011

This guy is really coming on at entry time. TRD 2011 is sired by Masterpiece, Junior champion ram at NAILE in 2018, and dammed by Little Honey TRD 2011 had our best spring lamb last year that sold to Dover Genetics privately. This guy has a bright future ahead of him.

169 – Spring Yearling Ewe**Trail Run Dorsets 2120**

Born: 2-4-22 RR
 Sire: "Sam Whiskey" McDaniel 21-1
 Dam: Trail Run Dorsets 1635

This ewe will definitely be in the running for best headed ewe. Beautiful headed and a great profiling ewe. TRD 1635 is a full sister to Little Honey. If you follow our genetics, you know how much we think about this ewe line. These will probably be the last ones to sell out of this ewe line as they are starting to get some age on them and will start adding those back in the flock. Full sib to the yearling ewe below.

170 – Spring Yearling Ewe**Trail Run Dorsets 2122**

Born: 2-1-22 Tw. RR
 Sire: "Sam Whiskey" McDaniel 21-1
 Dam: Trail Run Dorsets 1634

Full sib to the ewe mentioned above and material sister to our best headed ewe and class winning yearling at this sale last year that sold to the Youngberg family, IL. We think this ewe might be even better than her. Just a big powerful ewe that I'm sure will get your attention! TRD 1634 had a great show career herself.

171 – Spring Yearling Ewe**Trail Run Dorsets 2123**

Born: 2-7-22 Tw. RR
 Sire: "Sam Whiskey" McDaniel 21-1
 Dam: Trail Run Dorsets 2010

TRD 2010 was Reserve Junior Champion ewe at NAILE in 2020, Champion Ewe at the Ohio State Fair in 2021 and 3rd at NAILE as a yearling in 2021. She is sired by Masterpiece and dammed by Little Honey. I think this yearling ewe looks just like her and will be one you will want in your barn!

172 – Early Fall Ewe Lamb
Trail Run Dorsets 2203

Born: 9-10-22 Tw. RR
Sire: "Sam Whiskey" McDaniel 21-1
Dam: Trail Run Dorsets 2017

I may have lost my mind selling this one. TRD 2017's twin was our high selling ewe here last year for \$4000 that sold to Brown Show Stock, MI. That ewe family has done absolutely tremendous for us and we even used a full brother for spring lambs and we are excited in what we have. The girls call this one Anna and we think she is pretty special.

173 – Late Fall Ewe Lamb
Trail Run Dorsets 2204

Born: 10-1-22 Tw. RR
Sire: "Sam Whiskey" McDaniel 21-1
Dam: Trail Run Dorsets 1630

Full sister to our 3rd place early fall ewe lamb here last year that sold to MHW Farms, IA. This ewe is built just like her except a little prettier package. She is also coming on at entry time and has a bright future ahead of her too. TRD 1630 is also a Romancer daughter. These will most likely be the last Sam Whiskey daughters to sell so don't miss your chance on getting one.

Sire: Myerscough Sheep Farm 2122
Dam: P9875

A year ago we set out to find a buck that we needed to move our flock ahead. MSF 2122 has thrown an exceptional set of all lambs. He has added bone, style and breed type to the lambs. LSF 2218 is a long, extended ewe with feet and legs that point North and South.

177 – Late Fall Ewe Lamb
LSF 2222

Born: 10-6-22 Tw. RR
Sire: NSF 2215
Dam: Lobdell 2114

We can't thank the Nichols Family enough for letting us select a ram from their group a year ago. NSF 2215 is stacked with genetics like PD NSF 1914, McDaniel 21-3 and the Sweetness ewe family. LSF 2222 is the lone fall ewe lamb we got out of him, but she may be the best. Show ewe deluxe!

Pine Knob Farm 2311

Born: 10-4-22 RR
Sire: "Whiskey Glasses" NSF 2043
Dam: Pine Knob Farm 2010

PLF 2311 has been an eyecatcher since the day he hit the group. His momma stamped him with a big, wide hip and great breed character. His daddy (Champion Ram at NAILE 2022) makes him cool topped and extra impressive on the move. Watch this guy walk from behind, and you'll be sure to stop and look again....he's cool!

195 – Fall Yearling Ewe
Pine Knob Farm 2218

Born: 12-31-21 Quad QR
Sire: "Wild Bill" Pine Knob Farm 2026
Dam: Pine Knob Farm 1922

PKF 2218 was Junior Champion Ewe at the Big E as a winter ewe lamb and stood 3rd at NAILE. You will be hard-pressed to find a hole in this ewe. She is super complete with a big top, wide hip and beautiful head (Best Headed at Big E). PKF 1922 is a productive and fertile stud ewe – she makes great females every year....sometimes twice a year!

196 – Spring Yearling Ewe
Pine Knob Farm 2228

Born: 2-24-22 Tw. QR
Sire: "Bravo" Pine Knob Farm 2103
Dam: Pine Knob Farm 2021

PKF 2228 is sired by "Bravo" and out of a "Hemingway" daughter, which gives your two shots of "Grasshopper". He is the cornerstone ram for both the Pine Knob and Scotch Lane flocks. "Grasshopper" consistently made moderate framed, well-designed ewes with beautiful breed character that have anchored these breeding programs for year. Here is your chance to own a similarly dependable ewe ready to work in your lambing barn.

197 – Early Fall Ewe Lamb

Pine Knob Farm 2303

Born: 9-1-22 Triplet RR
Sire: "Bravo" Pine Knob Farm 2103
Dam: Pine Knob Farm 1922

PKF 2303 is dammed by PKF 1922, the same momma as our lead yearling ewe. It was a hard decision to let two ewes out of this stud ewe go, but we committed to bringing one of our best yearling ewes and fall ewe lambs to this sale, so here they are! PKF 2303 is a stout, eye-catching ewe lamb. Some says she's the best ewe lamb in the barn...and she comes from one hell of a ewe family. Her daddy is not so bad either – "Bravo" is the product of pairing some rare "Samson" semen with "Annie Oakley".

SLF 799 is also a maternal sister to our \$3300 Reserve Champion Ewe at the 2021 National Sale.

202 – Spring Yearling Ewe

2204

Born: 1-12-22
Sire: Loenser 960 "Benthead"
Dam: Hilltop Dorsets 1089

A lot of barn discussions have been had when making the decision to offer up this yearling ewe that we think so highly of. She is one that is a show pony and was our lead ewe lamb last summer finding the top of her class many times, with wins at many county fairs and the class winner at the Iowa State Fair. Her sire is a son of "Shock Top" and dammed by a Crouch ewe. He adds dimension, bone and great movement to his offspring. Her mother was Reserve Grand Champion ewe at the 2020 Iowa State Fair Jr. Show. If you have any questions or would like to see pictures ahead of time, call or text Colby Tool at 641-521-6364.

203 – Spring Yearling Ewe

Hilltop Dorsets 2212

Born: 1-12-22
Sire: Campbell Bros. 398
Dam: Loenser 583

Here is one we are bringing to the table for those of you who like your ewes big but still move around with function and can breed to any ram and be happy with the outcome. She is one of the first lambs out of our Penn View ram who is correct as Dorset bucks come. With a big foot, big rack and great hip. Her mother has been a producer of keeper ewe lambs that work well in the show ring and lambing barn. If you have questions or would like pictures, please call or text Colby at 641-521-6364.

204 – Early Fall Ewe Lamb

Hilltop Dorsets 2231

Born: 9-15-22
Sire: Valley View 372
Dam: Hilltop Dorsets W8

Now look in because this one is a ewe that I would have never dreamed of letting go. She is the first ewe we have let go from this dam. She brings so much to the table with neck extension, big ribbed, huge bone, level hip and is easy on the eyes when she gets on the move. Her sire Valley View 373 "Max Bid" was acquired from Nichols Sheep Farm. "Max Bid" went on to be the champion Dorset Ram at Freedom Fest where he topped both the Grand and Reserve Champion Ram at Louisville that fall. He has extreme features in his rack, bone and hip he passes on to his lambs. If you have any questions or would like pictures, please call or text Colby at 641-521-6364.

205 – Late Fall Ewe Lamb

Hilltop Dorsets 2235

Born: 10-2-22 Tw.
Sire: NSF 2133
Dam: Hilltop Dorsets 0090

When we saw this little ewe lambs sire last year to stop bidding wasn't an option. A Dorset buck that we thought would push the breed to it's limits. The son of "WhiskeyTalkin" from Nichols Sheep Farm raised many eyebrows over the summer. Now this ewe lamb comes from his first set of lambs which we think are very high quality. She has the rack and the hip that excels her motherly value while having the neck and sound stride that will make her very competitive in the show ring. If you have any questions or would like pictures, please call or text Colby at 641-521-6364.

Born: 1-22-22 Tw. RR
Sire: "Replay" Reynolds Stock Farm 2106
Dam: Loenser 14-20

If you're looking for a stud with a great foundation over him and a solid top with good rib shape and volume, take a look at this one. "Replay" is a full sister to Mike's top fall ewe lamb in 2022. Loenser 14-20 is out of a big Wolkow ewe and "Proud Prince" which is the ram we fell in love with when we were there on a farm visit.

213 – Early Fall Ram Lamb

Spilde 9558

Born: 9-4-22
Sire: Spilde 9507
Dam: Spilde 9496

Super balanced ram! Spilde 9507 is the "Rival" son we chose to keep for our use. Rival was senior champion ram at 2021 NAILE. Spilde 9496 is a twin sister to our high selling ewe in our 2022 online sale at \$3800. These twins are maternal sisters to our reserve junior champion ewe at 2022 NAILE and also maternal sisters to the female Riley Donkers purchased from us that went on to produce his high selling female at the 2022 Ohio Showcase Sale. Tremendous quality and consistency on both sides of the pedigree!

214 – Fall Yearling Ewe

Spilde 9528

Born: 9-17-21 Tw.
Sire: "Rival" Spilde 9479
Dam: Spilde 9332

Very straight spine and level hip on this ewe. "Rival" was Senior Champion Ram at NAILE and was sold half interest to Cedar Lane Dorsets.

215 – Spring Yearling Ewe

Spilde 9544

Born: 2-5-22
Sire: "Iron Mike" Reynolds Stock Farm 1901
Dam: Spilde 9124

One of our top yearling ewes. "Iron Mike" is a full brother to "Benchmark" and is the sire of "Top Shelf" who was the high selling ram at last years Ohio Dorset Sale at \$12,000 and also the sire of the 2021 National Futurity champion ewe lamb among other great ones. Spilde 9124 is the mother of several show sheep for us.

216 – Early Fall Ewe Lamb

Spilde 9567

Born: 9-20-22
Sire: Scotch Lane 683
Dam: Spilde 9435

Super fancy ewe lamb here. If you're looking for a competitive show lamb with the ability to also win best headed awards, take a look at this one! She is a young lamb with a lot of grow left. Spilde 9435 is a granddaughter of "Morals" who was champion ram at NAILE.

217 – Early Fall Ewe Lamb

Spilde 9569

Born: 9-22-22
Sire: Scotch Lane 683
Dam: Piller 1713

If we were keeping a fall ewe lamb back to show, this is the one. She's born a little late in the month but we believe she will be very competitive. She is super straight topped and level in her hip. Her feet and legs are sound and she has all the indicators of one that will grow a bunch. We were in the hunt for a couple stud ewes in 2021 and Jim allowed us to pick from his yearling ewes. Watch this one get better and better as we hit the show season this summer! Both of these ewe lambs will be futurity nominated and we will have codon results on all entries soon.
