

The Continental Dorset Club is looking for its next Executive Secretary. The Board of Directors has launched a national search for a highly motivated and progressive individual who is passionate about the Dorset breed. Qualified individuals will be responsible for efficiently maintaining the breed registry, working closely with the Directors, attending and supporting national shows and sales, supporting the junior association, and corresponding with website designers and journal editors. This paid position has a start date of December 1, 2023 with the previous two months serving as a transition period to accommodate moving the office and responsibilities from Deb Hopkins in Rhode Island to the newly hired Executive Secretary. A complete and detailed list of responsibilities as well as an application can be found on our website (<https://continentaldorsetclub.com>). Applications are being accepted now through July 1, 2023 with interviews of select candidates to follow. Additional questions and inquiries can be directed to Rachael Gately, Jeremy Crouch, Linda Mastin, or Ben Wilfong. Together, let's maintain the elite reputation of the Dorset breed.
