The "Rosie" donor was the '21 National Champion Sale ewe from the Slick yearling ewe division. When we saw that female posted on Cassell's Facebook page, we knew then we wanted to get in the Horned breed with one built like her. We've flushed this exact mating three times now. In her first crop, her ewe lamb Sarge 469 "Baby Girl" was the Champion Overall Horned female at the Great Lakes Regional show and went on to win the National futurity for the Bred & Owned division in '23 for Paige. We've got 2 fall born slick rams to pick from. Look for more info on our Facebook page closer to sale time.

We don't bring yearling rams unless they are really special. He's got plenty of size, bone, and structural correctness. He's also beautifully-headed. His sire was the 2019 NAILE Jr. Ch. A barn favorite since he was born, this ram's genetic package is as unique as they come. This buck's sire was the Reserve Champion Ram at Louisville in 2019. This buck's full brother was on our show string last summer and was very competitive but we think this one might be better yet.

We have decided to cut back on showing this year, and offer up our very best ewe lambs for sale. This one certainly fits that mold. Her sire is an "In the Weeds" son that we bought from Crouch's and showed during the 2020 Covid year with much success. Her mom comes from the heart of our program and is as consistent as they come. If we were going to show all summer, this ewe would never leave our farm. Don't miss your opportunity to add her to your operation.

Out of an "In the Weeds" son and a "Doctors Orders" daughter, this girls pedigree is loaded with show ring success. This ewe is as correct as they come and offers that extra eye appeal that we are all looking for in a show ewe. Don't pass up the chance to put this one in your flock.

We have been impressed with this girl since we purchased her at a young age along with her dam. She is still growing and has the potential to be a tall one because her sire is very extended.

This will be the last Sam Whiskey daughter to sell. This girl was a triplet and drew the short straw to start off but has caught up with everyone now. This ewe has big time brood ewe potential! TRD1903 is a Morals daughter and a full sister to Masterpiece who was Junior Champion at NAILE in 18. Some big genetics in this one.

"Foundation" is a Romancer son we sold to Brown Show Stock a few years ago and kept a breeding right too and boy did he work! He is a full brother to the dam of our junior champion ewe last year and to the high selling ewe here two years ago! TRD 1906 is also a Romancer daughter and a full sister to our famous Little Honey ewe. These genetics are, in our eyes, the best we can offer and what we have built our flock around! This girl has that freaky extension that we love!

If you like them pretty and fancy, this is your girl! We only showed once last year and she was 1st spring ewe lamb at the Ohio State Fair. She followed in her mommas foot steps as TRD 2110 won that class as a lamb and then as a yearling was Champion ewe at OSF in 2022! TRD 2110 is a "Thor" daughter and out of a Mr. Oregon daughter. I think this girl will have some friends!

This girl just keeps on getting better every day! We have been buying some outcross ewes the past few years and hopes to produce a stud ram. This Sids ewe might have produced a stud ewe for her first set of lambs and just lambed this week and has a buck that sure has that look to him of being one. She is a "Loosey Goosey" daughter and out of a "I'll Have Another" daughter. We couldn't decide on what yearlings to keep or sell so for right now, they are all signed up for this sale! We love bringing goods one here and I don't think this set will disappoint.

We only had 6 fall lambs this year after some issues with a ram we purchased last year and of course 4 were buck lambs. This girl is an absolute sweetheart and Stella will be sure to point her out to you and tell you all about her! "Captain" is a "Sam Whiskey" son and full sib to our junior champion ewe last year! "Captains" mom was the high selling polled ewe here two years ago that we mentioned in "Foundations" pedigree above. See a pattern? We just love these genetics! "Captain" is the sire of all our fall, winter and spring lambs and we sure are excited about what we have on the ground so far! TRD 2001 is a Romancer daughter and a full sib to Little Honey!

We decided since we only have one fall ewe lamb to offer and we were able to have a handful of early winter lambs, we would pick the best one out and bring her here! She is young right now but she sure looks nice right now! QMF 855 is a "Heritage" daughter and out of a "Morals" daughter. "Morals" was champion ram at NAILE in 2018 and those genetics have worked great for us! Don't miss out on this one.

1262 was the Champion Dorset Ram in the OSF Jr and Open Shows and was 4th Overall Supreme in the Jr Show. He also was the Reserve Champion Ram in the Great Lakes Regional show the same week. His mother has dammed the popular yearling ewes that Lindsey Eddy campaigned in which were the Champion Pair of Yearling Ewes at AAJS and one of which was Supreme Ewe in the Great Lakes Regional and Reserve Supreme Dorset Ewe in the open show at Ohio State Fair. 1262 is a big outlined, rugged boned ram that is attractively assembled with the added value of Dorset breed character that comes standard. I put him to use this fall and he DID NOT DISAPPOINT.

Will be sired by my Pine Knob Ram from 2021. Still haven't decided whether or not I have room to hoard all my yearling ewes for all three breeds. Either way I am happy enough to keep them if I have too, so no matter what, they will be solid!

With this being our first entry to the Ohio Dorset Sale, not to mention our first Dorset lamb we have ever had, we feel like this chick will be worth the look in mid March. Special thank you to the lovely Sarah Nichols and her lead turd slinger, Nick Nack, for offering us the chance at the momma of this ewe two springs ago at the famous parking lot shuffle in Greenville. Sired by Albino Giraffe from the famed Donut Ranch and dammed by one of the straight Valley View ewes, this gal is bred to work like an old guy shearing sides and bellies in Jerseyville! As one of the judges stated in their reasons at Louisville, this ewe didn't have the future that the ewes above here in class. He was right for saying what he did, with what sheep were presented to him in the spring lamb class. No Future was 2nd in the spring class in the Jr show and 3rd in the Open show with her mother's milk still on her lips! No Future will be one that you can saddle up and ride right back to Phillips Lane in November with your head hung high! All smoke aside, this one cut out better than expected this weekend, even if I didn't leave enough flank wool for Dylan to blend. She's coming on like gangbusters along with her pen mates on Moore Road with Big Ron on the feed bucket!

D: Pine Knob Farm 2050 P745906

PKF 2050 dammed the Reserve Champion Ewe at last year's National Dorset Sale along with our popular 2nd place Spring ewe lamb at NAILE this past year. That ewe will be our lead yearling ewe this coming show season. 2420 has been an eye catcher since birth! He is cocky fronted while sporting some significant bone work underneath. He has the ingredients to be big just like his daddy. "Bravo" sure does make some neat ones!

D: Pine Knob Farm 1719 P728870

Here is our favorite Fall lamb from the 2023 show season. It hurts to see this one go. PKF 1719 is probably the most influential ewe we have ever had other than "Annie Oakley". Her offspring include "Rooster", PKF 2050 who dammed last year's Reserve Champion Ewe at the Ohio Dorset Sale, and our keeper Fall ewe lamb this year. 2308 has stud ewe written all over her. Be sure to check out the width of top and depth of rib this ewe has to offer. A lot of females out there strive to look like this ewe does already!

PKF 2112 is a maternal sib to "Pinot" - the 2023 NAILE Champion Ewe. 2355 is a young yearling ewe packed with genetic potential and a bright future. Here is one of your only chances to own a breeding age "Bravo" daughter.

Turtle Mead 1727 is the dam of "Pinot", our 2023 Champion Ewe at NAILE. She blessed us with two beautiful ewe lambs this Fall. One will stay, and one will represent our finest at the National Sale. She will be futurity nominated.

PKF 2010 is our favorite "Honest Abe" daughter thus far; she won her class at NAILE as a lamb and was Champion Ewe at the Big E as a yearling. Her 2022 lamb was part of our pair of yearling ewes at NAILE this past November. This "Bravo" daughter is even better than her older sister. She will be futurity nominated.

S: "Samson" Pine Ridge 0089 ET P-684108
D: Loenser 5-20 P-745248

It is rare to find a true stud ram at public auction. We are very excited to offer this son of the great "Samson" ram! We went back to the well and used Samson semen on a selection of our top females. "Handyman" who was reserved champion ram at Louisville last fall along with this ram and his twin brother, all providing evidence we made a great choice! Loenser 5-20 is a daughter of "Proud Prince" And she also goes back to "Primo" on both sides of her pedigree. We elected to only show "Handyman" last fall because we were using this ram and his twin brother who is also being retained for stud. This ram is a genetic bombshell and his phenotype backs it up.

B: 09/14/2023 Single
S: "NoWorries" Scotch Lane 683 P-746786
D: Loenser 10-20 P-745253

This young stud is built right and has an eye catching pattern. "No Worries" sired our two fall ewe lambs at last year's Ohio sale that were quite popular. He's a bit young but don't overlook him.

B: 02/14/2023 Twin
S: "TD" Thistledown 603 P-731714
D: Cordray 239 P-751332

We call this ewe "Valentine". She is a sweetheart for sure. Long bodied, flat hiped, and very correct and has plenty of frame size. "TD" has sired rams that have been top sellers in multiple sales and his daughters are tremendous. Cordray 239 is a beast of a female and she is also the mother of our late fall ewe entry. We may regret selling these daughters but want to get them in the hands of someone who likes to show.

"Rival" was reserve senior champion and NAILE. This is the last female we will sell out of him. She has a great top and is flashy in her design. Spilde 9436 was to be our lead fall ewe lamb at Ohio Dorset Sale the year it was cancelled for COVID. We are blessed that we didn't sell her. Great female with a great pedigree here!

We always try to make a splash with a fall ewe lamb and this one is a beast! She has been a standout since she was in a jug pen with her mother. This lamb's sire, Spilde 9541 is a "Reply" son with some of the best genetics in Mike Reynolds flock. 9541's dam is sired by a "Cruz" son and also goes back to "Indiana Jones", "Primo", "Mr Oregon" and more. This lamb will be futurity nominated and we look forward to seeing where she lands!

We are once again bringing what we feel are our top 2 September ewe lambs. This is a full sister to the ewe lamb we brought to Ohio last year that sold for \$3750. She is tall and extended as well as pretty headed and correct. If you are looked for a futurity ewe lamb, this one is also locked and loaded for whoever wants to hit the show circuit!

My sheep reside at Spilde's and our agreement is that I will keep my numbers down, so this ewe needs to go. She is very young but already has good frame size and a super pretty pattern. The TD daughters have been great across the board, and this ewe's maternal grandmother is one of the 2 foundation ewes I have built my flock around. I would love to keep this one but she must go.
