(These include upcoming events, CDC news and other information specifically for Youth members)

**CONTINENTAL DORSET CLUB  
YOUTH ENROLLMENT PROGRAM**

This program has been established to help support the Youth Activities of the CDC, including the National Junior Dorset Association, the National Regional Junior Shows, the Summer All-American Junior Show, the NAILE National Junior Polled & Horned Dorset and Dorset Advantage Shows and the Dorset Ewe Futurity Program. You must be enrolled in the Youth program to participate in any of these listed.

To be eligible for the CDC Youth Enrollment Program, the individuals cannot be over 21 years of age as of January 1st of the current year. There is no lower age limit, allowing very young people to become involved, provided they can lead or handle their animal(s) in the show ring. This same age limit applies to your eligibility to register animals at membership rates. Another benefit to your enrollment is that you will receive a subscription to "The Dorset Connection"

The \$5.00 payment can be applied toward your Life Membership when your age eligibility has expired. This would make your Life Membership only cost \$15.00.
